

# HATTELAND TECHNOLOGY

an EMBRON Company 

## Confirmation of Financial Strength

**AA - Good creditworthiness**

Hatteland Technology AS is rated **AA - Good creditworthiness** by the Dun & Bradstreet.

The Dun & Bradstreet is the reference in credit rating globally and used by a wide range of businesses and institutions. It reflects the financial strength and long term reliability of Hatteland Technology for its partners.

The Dun & Bradstreet Business Report, awards Hatteland Technology **AA - Good creditworthiness**.

The rating is based on a combination of the following four categories:

- Organizational Facts
- Ownership/judicial
- Finance
- Payment History

In turbulent times selecting the right partners to trust is crucial. Our AA credit rating clearly demonstrates our strong foundation as a reliable long term business partner.
