

Statement on EU REACH declaration

This statement reflects a common understanding of the global product manufacturers on the EU REGULATION (EC) No 1907/2006 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 18 December 2006 concerning the Registration, Evaluation, Authorization, and Restriction of Chemicals (EU REACH) as well as the Hatteland Technology AS specific situation regarding EU REACH. It outlines the various obligations applicable to Hatteland Technology AS products and the requirements regarding articles.

Hatteland Technology AS having evaluated supplier certifications and material composition declarations, as well Hatteland Technology's specification. Hatteland Technology has, to the best of its knowledge and belief determined that:

Specifically, EU REACH requires us

- To inform recipients if an article placed on the European market contains a Substance of Very High Concern (SVHC) in excess of 0.0% by weight. SVHCs are identified on the European Chemical Agency (ECHA) website;
- To notify ECHA if an article contains an SVHC in excess of 0.0% by weight and the total amount of the SVHC present in all articles produced or imported to the European market exceed one metric ton per year;
- To cease shipment of articles containing EU REACH Annex XIV Substances Subject to Authorization unless the authorization has been obtained; and,
- To cease shipment of articles containing EU REACH Annex XVII substances when restrictions apply. Having evaluated supplier certifications and material composition declarations, as well as Hatteland Technology's specifications, Hatteland Technology AS has, to the best of its knowledge and belief, determined that:
- Hatteland Technology products do not contain the substances within the **247 entries** currently on the SVHC Candidate List in excess of 0.0% by weight per article as published by ECHA with **latest publication date January 21rd, 2025**;
- With reference to SVHC candidate substances contained in Hatteland Technology products shipped into the EU do not exceed one metric ton per year, and annual reporting to ECHA is not required;
- Hatteland Technology products do not contain the substances within the **59 entries** subject to authorization under EU REACH Annex XIV as published by ECHA with **latest publication date January 17th, 2023**;
- Hatteland Technology products do not contain any of the substances above the maximum limits under the given application in Annex XVII of the EU REACH Regulation.

Aksdal, 03.02.2025

Kristine Frette Thy,
Vice President Quality & Compliance
Hatteland Technology AS
